Subject: Request of Court Regarding Notices of Participation

*** EXTERNAL EMAIL ***

All,

Judge Swain's chambers contacted us about the numerous notices of participation being submitted to the Court for the Clerk to file. According to chambers, it has become a significant burden on the Clerk and he requested permission to collect the notices of participation and file them regularly, often on a daily basis or every other day, under one docket number. The Clerk asked us to contact the other attorneys involved in this matter to learn whether or not they have any objection to such a procedure. We have no objection provided that all such notices of participation submitted on or before April 16, 2019 (the "Participation Deadline") are filed together on that date, and any composite filings made after the Participation Deadline includes only notices received after the Participation Deadline.

Please let us know if you have any objections to the Court's request by tomorrow (March 20th) at noon.

Regards,

Irena
